

IONEX-Ion Exchange Resin Filter

Utilizing the ion exchange characteristics

Reduce the hardness of water

Remove Ca^{2+} and Mg^{2+} etc.

No scaling, hard towels, poor taste

IONEX-Ion Exchange Resin Filter

Specifications

Material	Food grade cationic resin
Function	To reduce water hardness
Size	10x4,5"
Temperature	5 - 35°C
Life span	3 - 6 months according to local water quality
